## Dream Jam (G.Cifarelli)

A long time ago Dizzy Gillespie  
with the genius Charlie "The Bird"  
in New York brought to life  
the new music: Be bop!  
I'd like to be up in the sky  
to hear the greatest jam ever played  
Bird, Wes, Monk, Philly Jo, Mingus let's play!  
Look at King Cole singin' to Billie  
While Duke swing with Lester and Trane  
I'm dreaming I don't know but  
don't wake me up!
